By signing, you are agreeing to the total price quoted and to the terms and conditions detailed on page 2.

Terms and Conditions:

- (1) Whilst we take great care when we enter your property, Capthorne Cat Care can hold no responsibility in the unlikely event that something should get damaged. You should ensure that your house insurance will cover any accidental damages in the unlikely event that this should occur during our pet sitting service.
- (2) We can only monitor your pet during the daily visit(s).
- (3) It is strongly recommended that you have up-to-date pet insurance for your pet.
- (4) In the unlikely event that your pet should become ill during our pet sitting service, we will initially try to contact you (or your agreed representative) on the emergency contact numbers provided. In the event that we are unable to contact you, and if in our opinion your pet needs immediate medical attention, we will take your pet directly to your registered vet. The vet bill be need to be paid directly by you.
- (5) The total price quoted is not a fixed lump-sum price. Should it be necessary to make additional visits during our pet sitting service, we would contact you initially to agree this and additional charges at the agreed daily rate would apply.
- (6) We recommend that your pet be kept indoors during our pet sitting service. If you have a cat flap and wish for your cat to be allowed to go outside whilst you are away, Capthorne Cat Care hold no responsibility in the event that your cat:
 - 6.1 Is attacked in any way (for example by a fox).
 - 6.2 Should go missing for any reason.
 - 6.3 Catches a mouse, bird or other animal.
- (7) Capthorne Cat Care reserves the right to charge for visits that are aborted due to no fault of ours.
